EXAMINER'S AMENDMENT

Page 2

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows to correct a minor typographical error in claim 47:

In line 13 of claim 47, "; a " has been inserted after the word "workpiece"

Allowable Subject Matter

2. Claims 28-60 allowed.

The following is an examiner's statement of reasons for allowance:

Regarding claim 28, the applicants have presented a persuasive argument (see page 13 of the response filed on 5/27/2005) that the cited prior art of record fails to disclose or suggest a method for ultrasonically chemically-etching a workpiece comprises the step of "ultrasonically agitating the etching solution with an ultrasonic transducer coupled to the outer tank <u>outside</u> of the aqueous solution to accelerate the etching of the workpiece", in combination with the rest of the limitations of claim 28. The closest cited prior art of Uehara discloses the step of ultrasonically agitating the etching solution with an ultrasonic transducer 31 coupled to the outer tank <u>inside</u> of the aqueous solution (fig. 2). Regarding claim 47, the cited prior art of record fails to disclose or suggest a method for ultrasonically chemically-etching a workpiece comprises " a

mechanism adapted to impart relative motion between the workpiece disposed in the inner tank and the ultrasonic transducer wherein the mechanism comprises a rotary motion actuator for rotating the inner tank and /or the ultrasonic transducer", in combination with the rest of the limitations of claim 47

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
